

- **Enhanced DBS Checked :Children and Vulnerable Adults**

Completed the Safeguarding Course with Barnardo's Charity

- Driving License. No personal vehicle.

I am strong working both in a team and independently, easily adapting to new situations as well as being able to use my initiative. I bring energy and enthusiasm to the work place, and enjoy being set challenges. Creativity and working in the Arts helps me to ensure that my work is of the highest quality. With a variety of experiences in different lines of work, I am flexible in performing to the standard expected by each individual customer or consumer.

Education:

Arts University Bournemouth: 2014 – 2017. BA (Hons) Acting

St Joseph's Catholic College Sixth Form. 2012-2014

Employment:

Creative Childcare (Nannyng- Freelance): I am part of an agency that supplies actors to work as nannies. Creativity is at the core of the work we do and we encourage imaginative play in our sessions. Each job is different, and entertainment activities can vary between baking, musical instruments, puzzles or singing songs whilst achieving our main goal of looking after the children.

TIE Actor. (Academic year 17/18 (Germany) and 19/20 (UK)): I have most recently completed a year long repertory theatre tour around the UK, as well as a previous tour in Germany that both required similar duties. Daily, I would perform plays involving English or Maths to Children, Teenagers and often their families ranging between the ages of nine to sixteen. Completing fifteen shows a week, I would interact with the children, answer their questions and encourage problem solving. The Role also included: Driving long-distance in a tour van through all seasons and times of day, Get-ins / Outs with equipment, communicating with teachers and students, and adapting each day to a new situation.

Waitress. Pizza Express (2017): Working as a waitress during the summer season helped me to develop my skills of completing a continuous number of tasks in a fast and high-pressured environment, whilst treating each customer like an individual and offering them the comforting and relaxed meal they deserved. It improved my time management skills and prioritisation. Roles included: Handling money, Clearing and resetting tables at speed, dealing with queries, making desserts and serving drinks, and customer awareness.

Shop Assistant. Go Outdoors (2013-2015): My primary role in this position was working as a Till Assistant. This built my experience within Customer Service, due to being at the forefront of the store: taking transactions and handling money, dealing and sorting customer queries, processing orders and dealing with refunds or exchanges as required. I was often placed as the "Store Welcomer", who would distribute vouchers and help people find what they were specifically looking for.

Play Assistant . Bonkers Play Area(2013-2016): Working as a Play Assistant allowed me to work with young children (between six months – eight years old) and their parents. I would work as invisibly as possible, to make sure the parent and child were enjoying themselves in as a stress-free environment as possible. Roles included: Handling money, customer service, party host (including the entertainment of young children), snacks and drink preparation, cleaning and organisation of play area.

Transferable skills and Interests: Teamwork, Improvisation, Determination, Instinctive, Listening. Baking and Cooking, Computer Skills, Driving License, First Aid (Non-certified). Creative: willing to get hands dirty in work. Enjoys painting, drawing and knitting, volunteering. Administration and Social Media. **References available upon request**
